## VEHICLE LEASING FRANCHISE RESALE IP (IPSWICH) POSTCODES

This is a leading finance and car leasing franchise that provide both business and private users with cost effective vehicle funding solutions with no allegiance to any manufacturer or finance plan.

Over 7 years of trading experience has enabled the franchiser to forge direct relationships with most manufacturers and the leading finance houses.

The franchisee enjoys marketing support, access to quoting systems from the country's top finance companies and use of the state-of-the-art CRM system. The franchiser also has a website, full details will be provided on enquiry.

Full training will be provided to the new owner.

If you want to invest in a dynamic, tried and tested business that can also fit around your lifestyle, present a solid future, provide superb profits and low overheads, then this business could well be for you.
