ONLINE BUSINESS DIRECTORY AND COMMUNITY WEBSITE SUFFOLK COASTAL

As part of the fastest growing franchise network ever, with around 360 franchisees across the UK this sale of this business directory provides an amazing opportunity for those with an entrepreneurial spirit.

The award winning opportunity was recently voted Best E-Company of the year. The website is usually ranked within the top 5- 10 on search terms with the major search engines.

A new owner would simply need the commitment, effort and time to push this business to its full potential. Some background and experience in sales would be an advantage. This is a people orientated business and would suit someone who enjoys being at the centre of the community and meeting people.

New business is obtained via leaflet door dropping, and networking. Full marketing, sales and technical training are provided with a complete business process manual that covers every aspect of the business.
