## INDOOR FIREWORKS/CANDLE DISTRIBUTOR EAST ANGLIA - RELOCATABLE

Initially being a manufacturer of candles and tea lights this business has recently diversified into the extremely lucrative indoor pyrotechnic market, with exclusive import and distribution rights across the UK for a certain manufacturer.

The fireworks are a safe form of indoor sparkling fireworks conforming to European Standard EN14035-15, sometimes called Ice Fountains, Indoor Roman Candles or Birthday Flares they are used as celebration candles at birthday parties, weddings, anniversaries, celebrations and corporate events.

These are quality fireworks and should not be confused with cheaper and less desirable imports from China and the far east.

Although the business has a website the owner due to personal reasons has not yet recognised the full potential in this unique and once in a lifetime business opportunity.
